THE WORLD’S PREMIER MINERAL EXPLORATION & MINING CONVENTION

MARCH 3-6
Metro Toronto Convention Centre, Toronto - Canada
Prospectors & Developers Association of Canada

PDAC is the most important mining convention in the world, with more than 25,000 visitors each year, including mining entrepreneurs, investors, and suppliers.

The main objective of the convention is to provide business opportunities for global entrepreneurs, as well as strengthening the commercial strategy and branding of the participating companies through the various platforms offered by our country.

The Peruvian delegation consists of 330 participants and is made up of mining industry leaders, senior Peruvian government representatives, and other notable business executives. The platforms that are offered during the convention to Peruvian delegates include the opportunity to interact with business partners from 135 countries.

Additionally, during the 19th edition of this event, international organizations will speak upon and demonstrate the competitive advantages of investing in Peru, through highlighting the strengths and qualities of Peru that make it a valuable investment country.
