Brand positioning through our communication platforms, web site and social media

Company or interview of the week

Use our digital platforms to promote your company through either an interview with your top executives or by being named “Company of the week”; and showcase your company’s expertise, product or service development and its differential advantage.

This content will appear once a year.

Brand presence on our website

Display your company logo on our website and link it to yours. Post up to 50 words on the “Our partners” section and promote your goods and services. Our website is a reliable source of information for current and potential clients regarding each one of our associates.

Brand presence on our social media

- When becoming a member, we will welcome you through our social media, showcase your logo and inform our website users about your company through a brief 50 word description.
- Receive a special greeting from us on your institution's anniversary date.

Opinions from our members

Convey your point of view through our opinion column that is delivered weekly, via our social media, and monthly, through our far-reaching database of 18,000 contacts. This service is available to members once a year.

Great showcase on our website and social media

- Have two of your press releases promoted each month (on Fridays) on our website’s news section and through our social media. This service must be requested 10 days in advance.
- Promote your products or services through a digital advertising banner placed on our website (***). This service is available for a week, twice a year.
- Promote your company’s top news story through our “Flash News Service”. Throughout 24 hours, your information will be highlighted on our social media’s “Stories” section.

Aliado estratégico

- Display our logo on your digital platforms and announce the CPCC as your strategic ally.
- Advertise your company’s activities, services and/or products through our different digital platforms.

- Facebook 17,230 followers (*)

New digital platforms

Business platform: mining companies and suppliers

Access our modern business platform developed to accelerate supply and demand interaction between mining companies and major suppliers. Find this exclusive platform on our website.

1. Leading company requires suppliers in...

The CPCC provides you with the only business platform in Peru that offers a direct connection between mining companies and large buyers and suppliers.

We provide support for requirements related to the purchase and sale of products from various companies in Peru.

Connect with world-class suppliers in Peru and Canada.

2. Supplier directory

Obtain detailed information on mining companies and suppliers.

By connecting and strengthening links with leading companies in Peru, your company will increase its capability to purchase and sell its products or services.

Use this platform to request a B2B online meeting with the executive of choice at a members-only price.

Parts and components platform with Maqu

Maqu and the CPCC have teamed up to bring you a platform that makes it faster and easier to procure, sell and rent heavy and light machinery and auxiliary equipment, as well as spare parts and components. CPCC members enjoy a special discount.

Accreditation with Achilles

The CPCC and Achilles have joined forces to boost business opportunities between buyers and suppliers in the mining sector.

Achilles has more than 20 years' experience of being strategic partners to major mining companies operating in Peru, helping them to increase transparency in their supply chains, mitigate risks and have access to a single source of information on suppliers.

Webinars

Let us organize your webinar

- Be a speaker and share your expertise with our members. The first webinar is completely free and the following, enjoy a discount.
- Receive a list with the names of the participants to the webinar. Prior consent from attendees is needed to share their information.
