NEW BENEFITS FOR A NEW ERA

Exclusive Platforms for Members:

- Exclusive national and international events for members.
- Special price on networking and business platforms.
- Opportunity to participate in the "Webinars Week", organized by the CPCC for members companies.
- Access to the exclusive platform (Intranet), located on the CPCC website.

B2B Meetings (one to one):

- Opportunity to arrange - on demand - B2B meetings with strong partner companies.

Event organizing:

- Support in the promotion of workshops, courses or conferences carried out by our institution, for a large audience.
- The CPCC can arrange a strategic activity for your company, using our extensive database.

Work Committees:

- Mining and Exploration Committee
- Infrastructure Committee
- Social Responsibility and Sustainability Committee
- Education Committee
- Energy Committee
- Women Committee

Invitation to exclusive events of the CPCC:

- Exclusive events with outstanding speakers from the private and public sectors.
- Participation in national and international conventions and cocktails.
- Special prices in seminars and activities of partner institutions.

Branding:

- Communication platforms with a large audience and readership.
- Your brand in our most important virtual and in-person activities.
- Opportunity to be the outstanding "Company of the Week" in our digital media.
- Opportunity to participate in the "Interview of the Week".
- Newsletter with a commercial description of your product or service, aimed at our database (10,700 contacts).

Dynamic networking platforms:

- Important relationship with leading companies in key sectors for our economy.

On-site and Virtual expositions:

- "Have a coffee with": Platform to promote knowledge exchange, for an audience of 25 executives.
- Networking Breakfast & B2B (ONLINE AND ON-SITE)

New Commercial Platforms and Digital Opportunities:

- Investors & Buyers Tank: Exclusive format where 5 suppliers have the opportunity to present their product or service, in front of executives of a mining company.
- Business Platform, hosted on our website, for Mining Companies and Suppliers, that enables the dynamization of commercial activity between them.
- Branding for your company in all our webinars, through executive merchandising.

Canadian Education Programs:

- Virtual courses with the most recognized Canadian academic institutions, on topics such as Administration and International Business, Marketing, Project Management, Health, and Environment.
- Language Immersion programs for English or French, on-site or virtual methodology.
- Opportunity to do a Co-Op program (work after studying a short program) in Canada, ideal for those looking for a complete experience of studying and doing professional internships.
- Supporting consultancy for undergraduate or graduate studies in Canada.
